Subject: Consultation - EPA Action on Idaho Human Health Criteria

Good Morning Mary Lou – thanks for facilitating the conference call yesterday; it was good to hear your voice. I discussed the call with our Legal Counsel & it was also discussed last week with our Tribal Council. Please consider this email as an official request from the Kootenai Tribe of Idaho for formal consultation.

We are unable to schedule a meeting with our full Tribal Council until January. Our Tribal business office closes at noon today & will reopen on January 2ndat that time, we can set a date for EPA to meet with the Kootenai Tribe.

Thanks – have a great Christmas.

Patty Perry
